## VINO IN TAZZA

### WINE IN A BOWL

### **LAMBRUSCO Gilda.....17 PER GLASS .....65 PER BOTTLE**

In the old taverns of Northern Italy, especially around Piacenza, Mantova and Parma where the wines are exceptionally dark, it was tradition to drink local reds out of small white bowls. Wines like the Sangue di Giuda or the bubbly lambrusco would leave dark red rings when swirled around the white bowls – a good sign of the wine's density and quality.
